Craig Phillips, 22, is a professional Freestyle Motocross rider sponsored by Turple Bros.

He bought his first motorcycle, a new 1995 Honda XR100, from Turple Bros. and currently rides a 2006 Honda CR250. Craig has had a busy 2005 season performing shows and attending competitions throughout Canada, the United States and the Dominican Republic. It appears that 2006 will be just as busy, performing and competing globally. Watch for Craig at an event near you.

"I would like to thank everyone at Turple Bros. for their support." acknowledges Craig Phillips.

Lance McMorran

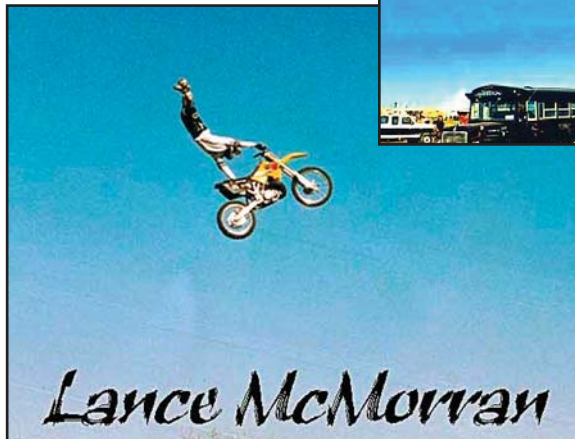

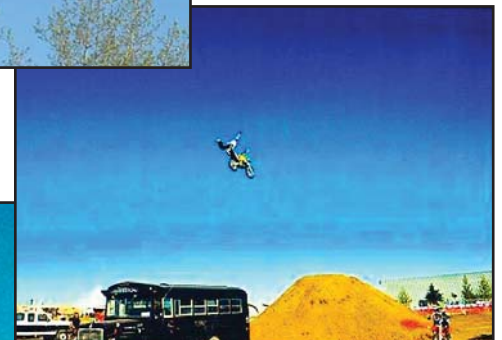

Lance McMorran will be riding a 2006 Suzuki RM250K6 from Turple Bros. and Suzuki Canada in Freestyle Motocross. As an ex-pro motocross racer and one of the first freestyle motocross performers in Canada, Lance's goal is to become the best freestyle rider in this country, then compete against the best in the world.

Lance's 2005 agenda included the:

- Insane FMX Summer Tour
- Swift Current, SK
- Lloydminster, AB
- Medicine Hat, AB
- Prince Albert, SK
- Olds, AB
- North Battleford, SK
- Lethbridge, AB
- plus, events in Camrose and Red Deer, AB

For 2006, Lance's brother, Dylan, will be joining the freestyle team, also on a new RM250K6. The team has new, portable take-off and landing ramps, enabling them to put on demos and freestyle shows across Canada.

Watch for Dylan, Lance, and his new "Back Flip", at the half-time Freestyle Demos at all 2006 Arenacrosses in Alberta.

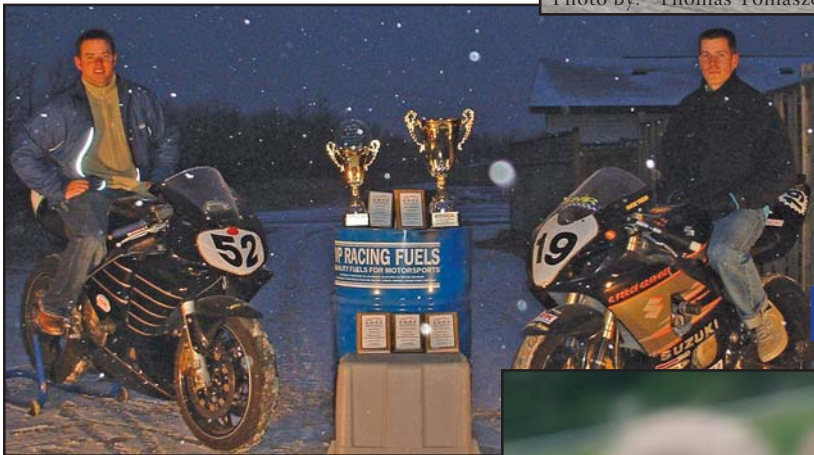

In typical racer-helping-racer fashion, Dave Sushynski and Lee McGill have an interesting partnership. While riding different brands of bikes, Dave is the tuner for both, while Lee handles the sponsorships and the transportation logistics with the Turple Bros. race trailer.

Riding a 2004 Suzuki GSXR 600, Dave started the 2005 season fine but a serious injury put him out of the Edmonton races on June 4th.

Lee scored 5th Place in Heavyweight Superbike on his 2003 Honda CBR600RR in Edmonton.

Only two months later, Dave was back with a 2nd Place in Middleweight Pro and a 5th Place in Middleweight Superbike in the Calgary Regional races!

Dave had placed 3rd in Middleweight Superbike in 2004 and had advanced to Pro for 2005.

For 2006, Dave and Lee will again be competing with the sponsorship support of Turple Bros.
